

MATCHING GIFT PROGRAM

Recognizing the need for support of education and philanthropy, the Scripps Howard Foundation Matching Gift program doubles the financial contributions of employees, directors and retirees of The E. W. Scripps Company and Scripps Howard Foundation. Personal gifts to eligible institutions are matched 1:1.

Your key to additional resources.

Eligibility

Eligible recipients include: pre-school; elementary and secondary schools; collegiate-level, professional or technical schools; two-year, junior, community and four-year colleges and universities and graduate schools; any tax-exempt (501 [c] [3]) fund, foundation or association (classified as a public charity) whose purpose is to raise funds, transmit gifts or sponsor programs for colleges or college students; and literacy organizations.

Entities must be located within the United States, be tax-exempt, non-profit, non-proprietary and be accredited or approved by a nationally recognized accrediting agency, a state department of education, a state university or operated under public control.

Gifts

Gifts must be personal contributions made, not merely pledged, in cash or securities. The minimum gift is \$25. There is no limit to the number of gifts or entities eligible for matching funds, within the \$3,000 maximum per year. Securities are valued for matching purposes at their quoted market value at the close of trading on the day the gift is made.

Donors may make unrestricted gifts, or they may designate their gifts for specific projects, but may not receive anything of value in return. The Scripps Howard Foundation's matching gifts will be unrestricted.

To Participate

Donor (employee, director or retiree) completes the **Donor** and **Receipt** portions of the form and forwards it with his or her gift to the recipient entity.

The recipient entity completes the **Recipient** portion of the form and forwards it to the Scripps Howard Foundation.

Once the Scripps Howard Foundation verifies the eligibility of the donor and recipient entity, a matching gift check is sent to the recipient entity and the donor is mailed a receipt giving notification of the matching gift payment.

The Scripps Howard Foundation may suspend, change or terminate this program at any time. The administration of the program's provisions shall be determined by the Foundation, and its decisions shall be final.
